POSTDOCTORAL FELLOWSHIP IN ARTIFICIAL INTELLIGENCE

Company Description

BCAM-Basque Center for Applied Mathematics

Information

- Deadline: 2018-11-30
- Category: Academia
- Province: Bizkaia
- Country: Basque Country
- City: Bilbao

Company

BCAM

Main functions, requisites & benefits

Main functions

Applications are invited for a Fellowship position within the Machine Learning group at the Basque Center for Applied Mathematics. The focus of the project will be on Artificial Intelligence, as well as Machine Learning, Computer Vision and Deep Learning.

The Postdoctoral Fellow will work under the supervision of Jose Antonio Lozano, leader of the Machine Learning research line at BCAM.

Requisites

The requirements are the following:
- PhD completed before the end of 2018, preferably in Computer Science or Applied Mathematics
- Research experience and interest in Artificial Intelligence in general with particular emphasis in areas such as: machine learning, computer vision, reasoning under uncertainty
- Experience in working with real Artificial Intelligence problems and expertise on the mathematical modelling of problems and algorithms in Artificial Intelligence

Benefits

The gross annual salary of the Fellowship will be 28.000 - 32.000€.
There is a moving allowance for those researchers that come from a research institution outside the Basque Country from EUR 1.000 to EUR 2.000 gross.
