Bizkaia talent

Company Description

The DeustoTech Institute (http://deustotech.deusto.es/) from the Faculty of Engineering at the University of Deusto (Bilbao, Spain) is looking for young but experienced researchers in the areas such as Artificial Intelligence, Pervasive Computing and Computer Systems. The positions are directed to researchers and they are intended to offer temporal research positions for, at least, two years for Juan de la Cierva grants, and five years for Ramón y Cajal grants. Researchers will also receive a start-up funding for their research costs.

Information

- Deadline: 2019-11-30
