Main functions, requisites & benefits

Main functions

Good command of written and spoken English is a must (if preselected, a telephone interview will be carried out before any other appointment is made). The selected candidate is expected to conduct research, write papers, and deliver a PhD thesis. Applications should be addressed to Dr. Sandra Camarero-Espinosa and sent via email in one single PDF to sandra.camarero@polymat.eu before the 31/03/2020 (applications will be considered upon arrival) including: a cover letter highlighting their interest in the position. curriculum vitae. a short description of previous research (1-2 Pages). the names and contact addresses (e-mail) of two academic referees.

Requisites

Applications should be addressed to Dr. Sandra Camarero-Espinosa and sent via email in one single PDF to sandra.camarero@polymat.eu before the 31/03/2020 (applications will be considered upon arrival) including: a cover letter highlighting their interest in the position. curriculum vitae. a short description of previous research (1-2 Pages). the names and contact addresses (e-mail) of two academic referees.

Benefits

Please note that because of the large number of applications expected, we will not be able to give individual feedback to unsuccessful applications. POLYMAT has obtained the 'HR Excellence in Research award'. The award reflects our commitment to continuously improve our human resource policies in line with the European Charter for Researchers, the Code of Conduct for the Recruitment of Researchers and our commitment to achieve fair and transparent recruitment and appraisal procedures.
