Main functions, requisites & benefits

Main functions

About The Role

Directly reporting to the Commercial Director in our Branch Office located in Mason (OH), the Area Sales Manager will be responsible to make sure sales targets are met within the designated sales area or territory. Our Area Sales Managers identify opportunities, conduct needs analysis and present high-quality, technical and professional software demonstrations. He/she uses value-based methods and specialized software knowledge to design, demonstrate, plan, and coordinate the integration of equipment, software and processes with Lantek's Industry 4.0 ERP, MES and CAD/CAM Nesting Software.

Duties & Responsibilities

The main duties are: Develop competitive sales plans and strategies in the designated area. Develop and maintain Distribution Channel in conjunction with Commercial Director. Develop Executive-Level relationships with Sheet Metal Fabricators. Create opportunities and follow-up on leads in region. Convert prospects into win. Demonstrate to potential clientele a Solution-Focused Software. Anchor the requirement gathering for Projects, Proposals and establish the Statements of Work. Support post sale transitions to implementation team and follow-through. Document all customer interactions and maintain data related to activities, accounts and partners.

Requisites

EDUCATION & EXPERIENCE Degree in technical field (Science, Technology, Engineering, ...). A minimum of 3 years of experience selling Project-Level Enterprise Software. Advanced knowledge of Business and Manufacturing best practices. Enterprise software configuration, rollout, and support experience. Experience designing and presenting solutions specific to customer requirements. Demonstrated success achieving quota selling enterprise software. The skillset to discuss key industry issues at multiple levels and to become a Subject Matter Expert. **SKILLS & ABILITIES** Advanced level of English. Willingness to travel. Excellent verbal and written communication skills. Excellent organizational and time-management skills. Ability to build strong relationships. Strong customer orientation and problem-solving skills. Ability to identify a problem and take the necessary steps to overcome it.

If you want to join a dynamic and expanding corporation, working in a sector with a great potential for development on a global level which, here you have your best opportunity!!
