Requisites

A Postdoctoral Fellowship in Chemistry is available at the Basque Center for Macromolecular Design and Engineering, POLYMAT Fundazioa (www.polymat.eu) in the Catalysis and Sustainable Polymers group (<https://haritzsardonlab.com/>). Applicants must have a PhD (or equivalent) in Chemistry with extensive and proven research experience in catalysis, organic synthesis and polymers. Good command of written and spoken English is a must (if preselected, a telephone interview will be carried out before any other appointment is made). The selected candidate is expected to conduct research, write reports, and papers.
