Description

A PhD Fellowship in Chemistry is available in the Catalysis and Sustainable Group (<https://haritzsardonlab.com/>) at the Basque Center for Macromolecular Design and Engineering, POLYMAT Fundazioa (www.polymat.eu), in collaboration with ORIBAY Group Automotive (<https://oribay.com>). The focus of the PhD is on the development of methods for on-demand on/off adhesion by using covalent adaptable networks. The goal is to design materials with strong adhesion and at the same time on demand tackiness.
