

Company Description

The aim of this academic centre is to train, through a complete range of studies, leaders who know how to integrate a professional, but also a humanistic and ethical vision. At the top of the list in Spain and with an increasingly significant presence in international rankings for its teaching and high performance, this University, located in the centre of the cities of Bilbao and San Sebastian, and with branches in Vitoria and Madrid, is characterised by the training in skills and values of its students. Deusto fosters an entrepreneurial spirit, in-company training, through dual programmes, and employability with internships for 100% of its students. The centre is also characterised by its specialised research, its commitment to justice and its international projection. Deusto is a centre dedicated to innovation and digitalisation. Because we live in a changing scenario in which Deusto's university students are called upon to give their best in order to contribute to social transformation.
