Company Description

The RETAbet Group is dedicated to sports betting, with over 16 years' experience in the market and 500 employees on staff. RETA is undergoing a strong expansion process, which has led us to be present in all the Spanish market. At present, the RETAbet Group operates through its 3.000 points of sale in Spain, with more than 3.000 propietary self-service terminals located in local licensed premises, gaming slot halls, bars and casinos. RETAbet Group also operates in the Spanish online market through its national licence (DGOJ) and serveral other regional online licences. Our success so far has been achieved in part by being the only company with a business model of vertical integration. This allows us to specifically adapt to each particular market in which we operate and add value to users of the brand.

All of this makes RETAbet a safe bet for the future and probably the most profitable company in Spain.
