

## Company Description

ITP Aero is a world leading aircraft engine and component company, with 4.175 employees and facilities in Spain, the UK, Mexico, Malta and India.

ITP Aero develops technology to drive the aerospace industry towards a more sustainable future. The development of our own technology is our main competitive advantage. Approximately half of the world's aircraft are equipped with ITP Aero products.

We are founding members of the EU Clean Aviation programme and the first Spanish aerospace company to commit to achieving net zero carbon emissions by 2050, in line with the UN Race to Zero initiative. [www.itpaero.com](http://www.itpaero.com)
