Description

Euskampus Fundazioa, a non-profit organisation backed by the University of the Basque Country UPV/EHU, Fundación Tecnalia, the Donostia International Physics Center (DIPC) and the University of Bordeaux (UB), is looking to incorporate a person to the executive team to act as Project Officer. Background Euskampus Fundazioa has a proven track record in the co-development and implementation of strategic and operational programmes and projects together with diverse stakeholders, such as Universities, Technology Centres, Research Centres, Basque Government, Provincial Councils, Basque Country-Aquitaine-Navarra Euroregion, and many other entities. Euskampus Fundazioa... Fosters scientific research of excellence in collaboration, connection and integration with agents of the Basque university, scientific and innovation ecosystem, with a cross-border vocation and international dimension. Connects its partners with each other and with the necessary players to generate a leverage effect of their skills and experience, and make it available to the great social and global challenges. Facilitates interconnection, collaboration, participation and inclusion of the stakeholders through a systemic and multidisciplinary approach. Offers its own, unique way of addressing diversity based on a local approach combined with a global, cross-border and
