

## Company Description

From Lookiero we are driving the change of online personalised shopping, making it more accessible to everyone. Our mission is to empower thousands of customers, inspire them and help them discover their full potential to succeed in their daily lives. Thanks to technology, Data and Artificial Intelligence, we have an extraordinary opportunity to deliver a unique shopping experience tailored to each individual. Since our launch in 2016, we have grown rapidly to become Europe's leading online personal shopping platform with a presence in 10 European countries and more than 600 employees and collaborators of 27 nationalities. How do we like to do things? We think big and act fast. We own our decisions and drive results. We say things the way they are. We are a team. Anything is possible for us.
