

## Company Description

At NeuCurrent we are building a disruptive technology for retail which enables all retailers to implement data driven customer retention without expensive data analytics and marketing resources. We are actively expanding in Europe at present. We are looking for a bright, motivated and independent SDR / Business Analyst who can thrive in the environment of a fast growing company. It can be challenging, but ultimately rewarding. Our values: We care for our people and customers. We develop innovation that generates real benefit. We are not afraid to take risks and see failure as a learning opportunity. We are determined and always look for solutions to move forward.
