

Company Description

At Alstom, we understand transport networks and what moves people. From high-speed trains, metros, monorails, and trams, to turnkey systems, services, infrastructure, signalling and digital mobility, we offer our diverse customers the broadest portfolio in the industry. Every day, 80,000 colleagues lead the way to greener and smarter mobility worldwide, connecting cities as we reduce carbon and replace cars.

Main functions, requisites & benefits

Main functions

Could you be the Commodity Procurement Owner in Bilbao, Trapaga we're looking for? Your future role: To take on a new challenge and apply your Procurement and Negotiation expertise in a new cutting-edge field. You will work alongside motivated professional and talented teammates. You will take care of the management of purchase orders. Day-to-day, you will work closely with teams across the business and much more. We will look to you to be responsible for: Managing purchase orders corresponding to electric and electronic materials; Negotiating framework agreements; Budget management of materials assigned to your project; Monitoring and negotiating material replanning.

Requisites

We value passion and attitude over experience. That is why we do not expect you to have every single skill. Instead, we have listed some that we think will help you succeed and grow in this role: Training preferably in Technical Engineering or similar. Experience in strategic purchasing or previous sourcing activities will be positively evaluated. Fluent English language is mandatory. Negotiation, organization, analysis and communication skills are required. Proactive person who works as a team with high work capacity and good communication skills.

Benefits

Things you will enjoy: Joining us on a life-long transformative journey – the rail industry is here to stay, so you can grow and develop new skills and experiences throughout your career. You will also: Enjoy stability, challenges and a long-term career free from boring daily routines. Collaborate with transverse teams and helpful colleagues. Contribute to innovative projects. Utilise our Agile working environment. Steer your career in whatever direction you choose across functions and countries. Benefit from our investment in your development, through award-winning learning. Benefit from a fair and dynamic reward package that recognises your performance and potential, plus comprehensive and competitive social coverage. You do not need to be a train enthusiast to thrive with us. We guarantee that when you step onto one of our trains with your friends or family, you will be proud. If you are up for the challenge, we would love to hear from you! As a global business, we are an equal-opportunity employer that celebrates diversity across the 70+ countries we operate in. We're committed to creating an inclusive workplace for everyone.
