

Company Description

At Sibelco, we advance life through materials. We are a global leader in sourcing, transforming, and distributing industrial minerals, powering progress across diverse industries such as glass, ceramics, construction, coatings, and polymers. For over 150 years, our commitment to sustainability and innovation has made us a trusted partner to customers worldwide. Join us in shaping the future. Are We the Perfect Match? At Sibelco, we believe that building a successful career is a two-way journey. We're looking for individuals who share our values and vision, just as much as you're seeking a company that aligns with your aspirations. Together, we can make a meaningful impact.

Main functions, requisites & benefits

Main functions

As part of the Finance Team, we are currently recruiting an Analyst Reporting & Consolidation to support local finance teams with their reporting. Act as a SPOC towards the local teams. Your Impact in This Role: To cooperate with the preparation and the analysis of the monthly and annual consolidated group reporting in accordance with IFRS. To be responsible for reviewing supporting documentation for consolidation reporting, including cash flow financial statements and equity reconciliations. To support (act as a SPOC towards) and interact with local finance teams in respect to their proper monthly reporting. Provide them with training and help them to properly report their figures. Improve accuracy, effectiveness and efficiency of accounting and finance reporting. To support the reporting process through the development of new reports/forms and the improvement and integration of existing reports depending on the reporting needs. To be responsible for the maintenance of the consolidation engine of the consolidation and reporting tools. To participate in the preparation, rollout, and follow-up on IFRS standards. To contact with auditors on year-end reporting and other dedicated subjects. To participate in ad hoc projects.

Requisites

Master's Degree in Finance/Economics or equal by experience. Minimum 2 years prior experience in: a finance consolidation role; a financial audit role with a first exposure towards consolidation reporting; consultancy firm focus in EPM (Reporting tool) implementation (One stream SAP-BPC; HFM, PowerBI). Fluent English is vital for this role. Any other European languages associated to the region would be highly desirable.

Benefits

Hybrid working conditions. Flexible schedule. It is an opportunity for you to join a truly growing global business. Other benefits will be discussed at the interview stage. We have set clearly defined sustainability priorities and targets, with key environmental and social objectives, which include Health & Safety, Climate & Energy, Community Engagement, Human Rights and Business Ethics.
